2. Rail Trail Connection List:

- Updated Trail Connector List
- Discussion of connections
- Rated connectors by priority: high, medium, low
- Signage discussed – DOT – family-friendly, high traffic, etc. – would be nice to have labeled to direct families and such
- Next steps discussed
- Rich will assign a dollar magnitude for each project
- Need to have a map for the connections to label them all – update our maps
- Come back with what we want to do 1 year, 3-year, 5 year

3. Baldwin Park Redesign Update:

- Park design was approved by Village Board
- Pickleball - Is there a need for more courts? Figure out where they can go?
- Will review and walk through design development again – the current draft – and then see if there is anything we think needs to be addressed and can hold another meeting.

4. Priority Projects Review:

- Jamie will share the LWRP folder with all projects for us to go through and review – draft priority profiles – **review before the next meeting**
- Crosswalks/traffic lights added
- Rich and Andy to check if Garwood playground equipment is in the budget
- Community boat rack – someone wanted to donate – Jamie will find out

5. New business:

- Ampersand Ave complete streets Checklist for Infrastructure Projects, recommendations – PTAB members go over and get back to Jamie if anything is missing, etc.
- Next month decide summer schedule for PTAB
