**VILLAGE OF SARANAC LAKE
LOCAL LAW NO. # 3 OF 2023**

**A LOCAL LAW TO AMEND THE VILLAGE OF SARANAC LAKE
UNIFIED DEVELOPMENT CODE**

SECTION 1: TITLE.

This local law shall be cited as Local Law No. 3 of 2023 of the Village of Saranac Lake and entitled "Short-Term Rental Law."

SECTION 2: LEGISLATIVE INTENT AND PURPOSE.

This local law amends Chapter 106 of the Village Code to provide amendments to the Village's Unified Development Code. The purpose of this local law is to address the use of Short-Term Rental Units [hereafter STRs] within the Village of Saranac Lake; in an effort to mitigate the impact of STRs on the Village; ensure the safety of STRs; and ensure that certain concerns and opportunities, including but not limited to, the following are addressed:

- A. Balance the needs and rights of all residents;
- B. Protect residents from external forces affecting housing access and affordability;
- C. Provide stability and a high quality of life for Village residents;
- D. Provide Village residents with the opportunity to benefit from tourism;
- E. Provide great benefit to the community when operated appropriately by Village residents.

The continued operation of Pre-Existing STRs must also be addressed with an appreciation for the substantial investments that have often been made by the owners of those properties and/or their reliance on income from those properties. The Village acknowledges that it has allowed Pre-Existing STRs to be developed and operated without any zoning regulation or required approvals and that zoning regulation of STRs has only recently evolved.

Accordingly, as a matter of fairness to these owners, the Village Board finds that Pre-Existing STRs should be allowed to continue to operate so long as they comply with requirements deemed necessary by the Village for the protection of public health, safety, and welfare. To achieve the desired balance of needs and rights, however, residents living near Pre-Existing STRs should have the opportunity to comment on their operation.

Overall, it is the Village Board's goal to see a respectful dialogue between Pre-Existing STR owners and potentially impacted neighbors facilitated by the Development Board through the Special Use Permit process.

This Local Law imposes mandatory regulations and requirements on all Village of Saranac Lake property owners currently renting, or planning to operate, one or more STRs, as defined herein. The purpose of such regulations and requirements is to assure that the properties being rented meet certain minimum safety and regulatory requirements thereby protecting the property owners, the occupants of such housing, and the residents of the Village of Saranac Lake.

SECTION 3: AUTHORITY.

This Local Law is adopted in accordance with Article 7 of the Village Law of the State of New York, which grants the Village of Saranac Lake the authority to regulate and restrict the location and use of buildings, structures, and land for trade, industry, and residence, for the purpose of promoting the health, safety, morals, or general welfare of the community, and in accordance with Municipal Home Rule Law, Article 2, Section 10, that gives the Village of Saranac Lake the power to protect and enhance its physical and visual environment.

The Village Board of Trustees authorizes the Development Board to issue Special Use Permits to property owners to use their properties as STRs, per the provisions set forth in this local law. The STR Permit Administrator may, thereafter, issue or deny STR renewal permits. Applications for permits to operate STRs shall be processed under the procedures set forth in the Development Code and this local law.

SECTION 4: APPLICABLE LAW.

All property owners desiring to operate an STR must comply with the regulations of this local law. However, nothing in this local law shall alter, affect, or supersede any regulations or requirements of the Village of Saranac Lake Development Code, any regulations or requirements imposed by Franklin or Essex Counties, or any State or Federal regulations or requirements, and all property owners must continue to comply with such regulations or requirements.

Except as temporarily provided herein for Pre-Existing STRs, no operation of an STR unit shall occur except pursuant to a valid Special Use Permit issued by the Village of Saranac Lake Development Board and an STR permit issued by the STR Permit Administrator. Such STR permits shall be valid for up to a one-year period, expiring on January 31st of the following year.

SECTION 5: DEFINITIONS.

Article 11, Section 106-6 of the Development Code entitled "Definitions" is hereby amended by adding the following new definitions:

Article 11, Section 106-6 of the Development Code entitled "Definitions" is hereby amended by removing the following existing definitions:

A 200ft. radius is measured from the parcel boundary. Density restriction will apply to a tax map parcel and does not restrict the number of units on a property.

Short-Term Rentals Pre-Existing.

Property owners who operate a Pre-Existing STR, as of the effective date of this local law, shall have 60 days from such date to apply for a Special Use Permit for a minor project from the Development Board.

Continued operation of a Pre-Existing STR may occur so long as an application for Special Use Permit is diligently pursued and until such time as approval, or approval with conditions, is granted by the Development Board and an STR Permit is issued by the STR Permit Administrator.

Special Use Permit application fees shall be applied to Pre-Existing STRs application fees for permit to operate. New STRs will be required to pay both special use permit and STR permit fees associated Procedures for notices for public hearings are outlined in section 106-20. (Notices of public hearings required by this code shall be provided by Village publication in a newspaper of general circulation within the Village at least 10 days prior to the hearing.

Any property owner who fails to produce such documentation shall not qualify as a Pre-Existing STR and shall cease operation until a Special Use Permit is approved by the Development Board and an STR permit is issued by the STR Permit Administrator.

After a public hearing, the Development Board shall approve Pre-Existing STRs, but shall have the authority to impose reasonable, site-specific conditions in addition to these regulations to address valid impacts. Any conditions shall be limited to reasonable measures required in order to minimize impacts on the neighborhoods where Pre-Existing STRs are located.

Short-Term Rental Permit Cap.

The Village of Saranac Lake Board of Trustees will set a maximum number of STR permits allowed during any given period, in order to protect the health and safety of the residents of the Village of Saranac Lake. If the applicant has fully complied, then the Development Board may issue the property owner a Special Use Permit for an STR after a public hearing. Severability.

If any part or provision of this local law is judged invalid by any court of competent jurisdiction, such judgment shall be confined in application to the part or provision directly on which judgment shall have been rendered and shall not affect or impair the validity of the remainder of this Law or the application thereof to other persons or circumstances. The Village hereby declares that it would have enacted the remainder of this Law even without such part, provision, or application.
