Request for Quotes: Seasonal Plantings

Issued by:

Village of Saranac Lake

Date Issued: January 22, 2026

Introduction:

The Village of Saranac Lake seeks quotes from local nurseries/garden centers to prepare and plant selected annual plants for 47 planters. Also, to supply materials for four (4) entry sign "Whiskey Barrel" planters, plus the Star Garden located at the corner of Church and River streets. And the 2 gazebo planters in Berkeley Green Park.

Responses are due by February 5, 2026, and must be sent by email to:

Bayle Reichert comdevassist1@saranaclakeny.gov

Scope of Work:

1. The Village of Saranac Lake has **47 Earth Planters** that, once planted, are placed throughout downtown from late June through mid-October.
 - a. Village delivers the Earth Planters to the vendor in the last week of May*.
 - b. Vendor prepares the planters with soil, fertilizer, and flowers.
 - c. Vendor waters the planters for at least 1 week before they are moved downtown.
* Do not fill the water well before the planters are transported. Watering should be from the top while in the care of the vendor.
 - d. Village transports completed planters from the vendor to downtown locations the third week in June*.
 - e. Village transports completed planters from downtown to the vendor in mid-October.
 - f. Vendors remove flowers and soil (recycling of soil is encouraged) .
 - g. Vendor cleans planters for winter storage.
 - h. Village picks up the planters the last week in October and stores them for the winter.
2. Vendor will supply the selected flowers, soil, and fertilizer for the four (4) village entrance signs and the Star Garden at the intersection of River and Church Streets. The entrance signs and Star Garden are planted by volunteers.
 - a. Vendor will hold the materials until volunteers are ready to plant after mid-June*.
Volunteers will pick up the materials.
 - b. Vendor will coordinate delivery of materials with Village Improvement Society.

*Village transport is dependent upon the weather; the village will only provide transportation to/from vendors within the Saranac Lake area.

Specifications of interest:

1. Flowers for Planters
 - a. Must be able to take full sun
 - b. Must be able to survive first frost
 - c. Must be hardy and have well grown root systems
 - d. Plants should be a sellable item- either 608 pkg, 408 pkg or 4.5" pot
 - e. No impatiens, potato vine, or shade/partial shade plants will be used
 - f. Arrangement will be colorful, full, and lush enough to fill the planters after 4 weeks
 - g. No 6-packs or small plants; 4 to 4.5 inch material only
 - h. 1 Canna (6-7" pot) or 1 tall Blue Salvia (4.5" pot) is placed in the center of the planter 4.5" equally spaced and away from the edge
 - i. 1 "Lemon" Licorice Plant 4.5"
 - j. 1 'Blue Tiara' Supertunia 4.5"
 - k. 1 "Sanvitalia" 4.5" yellow (plant needs to grow in 4.5" pot)
 - l. 2 marigolds, "yellow lady", "orange lady"
 - m. 3 petunia "purple wave" from 804 pkg plugs, strong roots, cutting back trailing wave branches to 3"-4" at planting
 - n. 9 plants per planter
 - o. Each planter should have a focal plant in the center
 - p. Planting time required last week of May
 - q. Planters should be picked up mid-June - coordinated with the Park Manager
2. Procedure for Planting
 - a. Soil and Fertilizer for Planters
 - b. Pro Mix BX or equivalent soil-less mixture fluffed and moistened
 - c. The planters have a wicking bottom space that requires new damp soil
 - d. Filling with saved soil should be 6 inches below lip of planter, 4 oz of fertilizer 10-10-10 is added to surface and mixed into soil, new fluffed and damp soil is add to fill to lip of planter, 4 oz of fertilizer osmocote 14-14-14 is added to surface and mixed into soil
3. Earth Planters - 47 planters are Earth Planter Model EPMV31-Urban Vase 31
 - a. Weight: 25 lbs.
 - b. Top outside diameter: 31 in.
 - c. Bottom diameter: 19 in.
 - d. Height: 25.75 in.
 - e. Planting tray depth: 13 in.
 - f. Water capacity: 18 gal.
 - g. Soil capacity: 3.2 cubic ft.
 - h. Weight per planter (with water and wet soil): 280+ lbs.
4. Flowers for 4 Entrance Signs - 1 basket each
 - a. 2 Supertunia "Really Red" 10" hanging basket
 - b. 2 Begonia "Red Dragon Wing" 10" hanging basket - reddish pink if necessary
 - c. Size of entrance sign planters: standard whiskey barrel
 - d. Pick up after June 15th
5. Flowers for Star Garden
 - a. 2 Ageratum "tall blue horizon" 806 pkg
 - b. 2 Red Salvia "Bonfire" 806 pkg
 - c. 1 White Alyssum 806 pkg
 - d. 5 pounds of time-release fertilizer (Osmocote)
 - e. Pick up after June 15th
 - f. Area of Star Garden: The star garden has a baptiste plant, a perennial, planted in the middle of the star. Each of the 5 points of the star is 12' long, from the baptiste plant in the middle, and starts at 3' wide and tapers to 1' at the point.

6. Berkeley Green

a. 2 Begonia "Red Dragon Wing" 10" hanging basket – reddish pink if necessary
