Village of Saranac Lake, Franklin County
Land Use Area: Hamlet
Tax Map No.: 458.21-2-1

Dear Greg:

On September 29, 2023, Agency staff conducted a site visit to the above-referenced property. Staff inspected the area delineated by Bergmann staff on July 20, 2023, depicted as Wetland 1 on Figure 7 of the September 5, 2023 Wetland Delineation & Preliminary Threatened and Endangered Species Habitat Study Report for the Adirondack Park Agency Headquarters Feasibility Study. The area identified as Wetland 1 is approximately 0.10 acres in size and has no free interchange at the surface with the Saranac River or any other body of water. Accordingly, this area is not a wetland that is subject to Adirondack Park Agency regulation.

Please contact me if you have any questions.

Sincerely,

/s /John M. Burth
