

Town of Delton

COLLECTION INFORMATION

We look forward to serving the Town of Delton with our automated system for the collection of your trash & all-in-one recycling starting January 2025.

The Pellitteri Family
Tom, David, Danielle and Tim

Your scheduled pickup day is changing from Friday to Thursday. Your recycling week may be changing. See page 2 for details.

IMPORTANT *Information* INCLUDED IN THIS PACKET

- Quick overview and additional information about the new automated collection service
- Cart placement instructions – automated collection requires your cooperation
- Recycling information
- Instructions for bulky items and appliance pickup
- A map and calendar showing your new trash and recycling service day

Town of Delton

COLLECTION INFORMATION

QUICK *Overview*

- **The Town of Delton's scheduled pickup day is changing from Friday to Thursday.** Please refer to the map and calendar included or visit pellitteri.com/town-of-delton.
- The blue cart is for recycling. It is picked up every other week. **Your recycling week may be changing. The collection map will show you whether your recycling collection is on week A or B.** Half the town is collected on each week. Your collection calendar designates which weeks you should put your recycling cart out to be serviced along with your trash cart for that week.
- The all-in-one recycling system allows you to put all of your recyclables in one cart. If you choose to bag your recyclables, use only clear plastic bags, and do not tie shut.
- The dark brown cart is for trash. It is picked up every week on your scheduled day of pickup.
- Please do not overfill your trash or recycling cart; the lids on the carts should be closed.
- Carts must be set out by 6:00 a.m. and placed in the correct position. Pick-up times may vary from week to week. Trash and recycling carts are serviced at separate times during the day.
- Do not put any trash and/or recycling to the curb that does not fit in the cart unless you have made arrangements in advance. There is a fee for this service. Please do not overload carts; the lids should shut.
- All carts are the property of Pellitteri Waste Systems. Please do not take the carts if you move. You are responsible for any missing carts or damages to the carts other than normal wear and tear.
- Bulky item pickup information is listed on the last page of this packet. There is a fee for this service.

COLLECTION INFORMATION

CART PLACEMENT *Instructions*

PLACEMENT *of the Carts*

Please place your carts on level ground and at least 4 feet apart from each other. Never place the carts in front of one another. The carts need to be within two feet of the street. The best placement for the carts is at the end of the driveway or on the grass within two feet of the road. We recommend placing carts on opposite sides of your driveway. Carts cannot be collected if they are improperly placed.

In the winter, you may need to shovel out areas for your carts just like you do for mail delivery. Be sure the areas are away from obstructions like mailboxes, trees and cars. Please do not place carts in the street.

LOADING OF *Your Cart*

We recommend bagging your trash so it won't stick to the inside of the cart. This will also help to keep the carts clean on the inside and prevent windblown litter. Do your best to break down the items being placed inside the cart so they don't lodge themselves inside and make it impossible to dump. The lid on the cart should be closed. If you choose to bag your recyclables, use only clear plastic bags, and do not tie shut.

FACE THE CART *Towards* THE STREET

Place your cart at the street so the lid opens towards the street. By placing your cart correctly, it is easier to dump and it will be much less likely to have waste spill out.

GIVE US *Room*

With the automated collection trucks, we need some room away from obstructions like trees, mailboxes and cars. Please place your carts 4 feet away from each other and any and all obstructions.

COLLECTION INFORMATION

BULKY ITEMS, APPLIANCES *and Special Waste*

THE FOLLOWING ITEMS OR
TYPES OF WASTE REQUIRE
*prepayment and special instructions to
follow:*

- White goods (appliances)
- Furniture
- Large items or any item that does not fit into the cart
- Tires
- Construction/Demolition/Remodeling
- Waste
- Electronics
- Basement cleanouts
- Brush/trees and garden/yard waste are prohibited from the landfill. Please check for a municipal drop-off site or curbside pickup.

Please make a list of the items you want to discard, including the type of material they are made out of, then call our office at (608) 257-4285. We will give you instructions and schedule your pickup on the next available date. Bulk item prices can be found at pellitteri.com/town-of-delton.

If you have large amounts of material to discard, please visit our website or call us about our temporary dumpster services.

We also offer Document Destruction Services if you need to dispose of confidential papers. Please call our office to make arrangements for this service.

HOUSEHOLD HAZARDOUS WASTES, PAINT AND CHEMICALS *are not* TO BE DISPOSED OF IN THE TRASH.

ITEMS THAT *contain*

- Batteries, including lithium-ion and rechargeable batteries
- Propane tanks/cylinders
- Explosives, gasses & solvents
- Poisons & corrosives
- Chemicals (including pool chemicals)
- Biological hazards including needles
- Freon and other coolants

- All require special handling and disposal. Please see Sauk County Clean Sweep options at: www.co.sauk.wi.us/landconservation/clean-sweep.
- Do not place any hot ashes in the carts – you may start a fire in our trucks. You are responsible for any damages to the carts.
