Nov. 17	Planning Commission Special Meeting
Nov. 18	Park Committee Meeting
Nov. 24	Planning Commission Meeting

Baldwin Township needs your experience. We have areas where we need volunteers. We have a great Township lets get involved.

Rain Gardens could use some love and care. Lets grow our Park Committee, can always use some fresh ideas. Volunteer at the FunFest and have some fun too.

REMOVAL OF OLD FIRE SIGNS

It was approved at the July 19, 2021 Board Meeting to remove the old Princeton fire signs. It is no longer Princeton Fire. This is not your address (EMS) sign but the old sign with just a number and says Princeton Fire. You may take down and keep the old sign and if it has not been taken down, then the Township Maintenance Crew when they see one they will take it down.

HOUSE EXPLOSIONS

Due to the recent house explosion in the City of Princeton, it is a good time for the residents of Baldwin to review the causes of house explosions. Here is a link to important safety information

<https://home-wizard.com/article/home-explosion-risks>.

Please contact Baldwin Fire Dept. at 763-389-7976 if you have any questions or concerns.

Broadband Survey of Residents and Businesses announced; will guide future plans and projects.

Access to reliable high-speed Internet remains a top priority for Sherburne County. "We want to assure that county residents and businesses are receiving the best possible broadband service," noted County Chair Raeanne Danielowske. To achieve that goal, county officials are conducting an assessment of the current state of broadband Internet in the county. Businesses and residents are strongly encouraged to take the surveys, the results of which will guide the county's planning regarding the future of broadband in the future

Midco did a blanket Township install of high speed internet last year. It is apparent a few areas were not included. If you have not received service from Midco and would like it, or were told there were not enough homes on your street, please contact the town hall to let us know. We are currently working with them to remedy this and we want the entire town to have access.
