October 2022 Baldwin hires new Clerk

Baldwin hires as their new Clerk/Treasurer Joan Heinen.

Before coming to Baldwin Township, Joan worked for a local company for over twenty years. Her accounting background, experience in customer service and a passion for learning new things will prove to be very helpful in her role as Clerk/Treasurer for Baldwin Township.

Joan and her husband Randy have lived in Baldwin Township for over 30 years and have three children and five grandchildren. Joan's hobbies include hiking, camping, reading, and fishing, but her passion is spending time with her grandchildren.

When asked why she decided to work for Baldwin Township, she said she is excited to work with the community and support Baldwin Township through change and growth. "I might not always have the answer, but I will find it," she said about her new position. She is looking forward to learning all she can about local government and providing what ever support she can to residents, the Town Board, and staff.

Joan's passion is to give back and help make a difference in the community by supporting Baldwin Township in its growth while "staying in a community where people know their neighbors."
