It is the intent of the Township to complete plowing, widening, and sanding operations within 48 hours of the time the snowfall ceases. Operations may be suspended during periods of limited or zero visibility.

1. First Priority Priority routes, high volume intersections, hills and curves
2. Second Priority Stop intersections, moderate volume intersections
3. Third Priority Residential intersections

PROPERTY DAMAGE The Township will not be responsible for any of the following damage occurring during the normal course of snow removal from Township roads: 1) mailboxes or fences damaged by thrown snow or from improperly placed mailboxes per Postmaster policy; and 2) landscaping or objects within the Township road right-of-way.

RESPONSIBILITY OF RESIDENTS Responsibilities include clearing their own driveways, clearing areas for trashcans, clearing around mailboxes, and newspaper delivery tubes. These areas should be cleared without depositing any snow into the street. There also must not be any large piles, which obstruct vision of driveways. Trash cans must not be placed on the street surfaces. The Township will not clear private drives.

Residents are reminded that it is against the law to plow snow from your driveway across a public road. (Minnesota Statute 160.2715).
