Things continue to run well. The treatment looks good. As of today I do not see any issues. We just filled up our micro C. In the spring we need to get together with Shane and see what kind of preventative maintenance we need to do on the drainfield. We will probably pump some of the main tanks here in the next month or two. That is just ordinary maintenance. Otherwise, as I said, everything looks to be all right.

Hi Mike,

Please send me an update on Frontier Trails for the January 27th City Council meeting.

Thank you.

Joan Heinen
