**NOTICE
REQUEST FOR PROPOSALS**

PROJECT NAME: Civil Code Enforcement Administrative Law Judge Services

PROPOSALS DUE BY: 8/18/2026

RFP AVAILABLE: 7/10/2026

PROJECT LOCATION: Alta, UT

PROJECT DESCRIPTION: Qualified attorneys are invited to submit a proposal to the Town of Alta to provide independent Administrative Law Judge (ALJ) services for the Town’s civil code enforcement program, including disputes involving alleged violations of the Town’s civil code enforcement actions.

OWNER: THE TOWN OF ALTA

Town of Alta reserves the right to reject any or all proposals received. Furthermore, the Town shall have the right to waive any informality or technicality in proposals received when in the best interest of the Town.

I. Introduction and Overview

The Town of Alta (“Town” or “the Town”) is a unique municipality in a unique environment. Almost 80 percent of the land area within the Town’s municipal boundary is owned and managed by the USDA Forest Service and within Alta Ski Area’s special use permit, and the Town regulates land use and development on the rest of the land area in the Town. While the Town is not the land use authority on projects on USFS land, it does apply building codes and regulate building permits on all land within its boundary including public lands. The Town of Alta is within a protected culinary watershed and development and other activities are subject to watershed regulations applied by Salt Lake County Health Department and Salt Lake City Public Utilities. The Utah Department of Transportation owns the only public roads in The Town of Alta. Nevertheless, the Town is a relatively full-service municipality, with its own police department, culinary water and wastewater collection systems, animal and business licensing, and many other services including planning, zoning, and building permitting. The Town employs

14 full-time staff members, mostly in its police department, as well as various part-time and seasonal employees and contractors.

This Request for Proposal (RFP) will assist the Town in selecting an experienced ALJ. The ALJ will serve as a neutral hearing officer to adjudicate contested matters in accordance with applicable Town ordinances, adopted building codes, due process requirements, and Utah law. This RFP is part of a competitive procurement process.

II. Scope of Services

The Town seeks a qualified, impartial decision-maker with experience in municipal code enforcement, land use and building regulation, evidentiary hearings, and written administrative decisions. The Town intends for these services to support fair, efficient, and legally defensible resolution of enforcement disputes while preserving the Town's ability to pursue compliance through all remedies authorized by law. The selected ALJ shall provide professional services that may include, but are not limited to, the following:

1. Conduct impartial administrative hearings relating to appeals of notices of violation, civil citations, stop work orders, correction orders, administrative compliance orders, permit-related enforcement actions, and other civil enforcement matters authorized by the Alta Town Code. Topics may include violations of building and construction codes, land use and zoning regulations, parking and animal control regulations, and other topics.
2. Administer oaths, manage hearing procedures, rule on evidentiary issues, receive testimony and documentary evidence, and maintain orderly proceedings consistent with due process.
3. Issue written findings of fact, conclusions, rulings, and final decisions within timeframes established by contract or Town ordinance.
4. Prepare a clear administrative record sufficient to support internal review and any judicial review authorized by law.
5. Coordinate hearing scheduling and procedural requirements with Town staff while maintaining decisional independence.
6. Conduct hearings in person, remotely, or in a hybrid format, as directed by the Town and permitted by law.
7. Provide limited procedural guidance to Town staff regarding hearing logistics, notices, record preparation, and hearing forms, provided such assistance does not compromise neutrality.
8. Maintain confidentiality and avoid conflicts of interest in all matters.
9. Perform related professional services reasonably necessary to carry out the ALJ function under the Town's civil code enforcement and building code enforcement framework.

a. Illustrative Matter Types

- Appeals or contests of civil code enforcement citations and notices.
- Disputes involving alleged construction without permit, work beyond permit scope, failure to obtain required inspections, or failure to comply with approved plans.
- Disputes involving correction notices, stop work directives, occupancy-related violations, and unsafe or noncompliant construction conditions.
- Cases involving continuing violations, deadlines for corrective action, and administrative penalties or cost recovery where authorized.
- Other municipal code enforcement disputes assigned by the Town that fall within the lawful authority of the ALJ.

III. Minimum Qualifications and Preferred Experience

1. Active license to practice law in Utah, in good standing.
2. Demonstrated experience serving as an ALJ, hearing officer, municipal prosecutor, municipal attorney, land use attorney, building code attorney, or in a substantially similar adjudicative or quasi-judicial role.
3. Working knowledge of Utah municipal law, administrative law principles, due process requirements, and evidentiary practices applicable to administrative hearings.
4. Experience interpreting and applying municipal ordinances, construction codes, permitting requirements, and enforcement procedures.
5. Ability to prepare timely, well-reasoned written decisions and maintain a defensible administrative record.
6. Availability to conduct hearings on an as-needed basis and manage matters in a timely manner.
7. Freedom from actual or apparent conflicts of interest involving the Town, its officials, staff, contractors, or recurring parties likely to appear before the ALJ.

IV. Proposal Requirements

Each proposal should be clear, concise, and organized, and should include at minimum the following information:

1. **Cover Letter.** A brief statement of interest signed by the proposer or authorized representative.

2. **Attorney Profile.** Description of the bidder, office location, and primary contact information.

Please note there may be a maximum amount of hours/pricing. Mileage reimbursement from travel to and from the Town of Alta shall be specified in the service agreement.
8. **Conflicts Disclosure.** Statement identifying any actual, potential, or perceived conflicts of interest, including current or recent representation adverse to municipalities, developers, contractors, or property owners in matters likely to arise before the Town.

The Town reserves the right to reject any and all proposals for any reason. Proposals lacking required information or otherwise not in compliance with this RFP will not be considered. 2. Questions will be accepted via email to brooke@townofalta.utah.gov by August 12, 2026 at 4:00 PM. All questions and responses will be posted to our website: (<https://townofalta.utah.gov/request-for-proposals/>) on or before August 13, 2026 at 4:00 PM.

4. Evaluation and Selection on or before: September 11, 2026.

VI. Evaluation Criteria

Award may not be made to the highest-scoring vendor but to the proposal determined to be the most advantageous. Cost is not the sole determining factor.

Proposals will be evaluated on the following criteria and approach:

1. Scoring Methodology:
 - a. Five Points (Excellent).
 - b. Four Points (Very Good).
 - c. Three Points (Good).
 - d. Two Points (Fair).
 - e. One Point (Poor).
 - f. Zero Points (Absent).
2. Scoring Process:
 - a. Phase 1: Technical Score (70 points available) – only proposals scoring a minimum of 55 points will proceed to phase 2.
 - b. Phase 2: Interviews (10 points available) – Only proposals scoring a minimum of 75 points plus interview points will proceed to phase 3. Oral interviews will discuss vendor qualifications, project understanding, and experience as described in their proposal.
 - c. Phase 3: Cost Score (20 cost points available).
3. Weighting:
 - a. Each scored line item will be multiplied by weighted importance factors as shown. The scoring will be multiplied by the weighted importance factor to give the total points for that line item.
 - b. The vendor with the lowest price receives 100% of the cost points.
 - c. Other vendors receive a portion of the points based on how much higher their price is than the lowest price.
 - d. Vendors with a price more than double the lowest price received not points.

- e. The formula to compute cost points is: $\text{Cost Points} \times (\text{Lowest Proposed Price} / \text{Proposed Price})$.

Technical Scoring:

Points Possible	Weighted Factor	Maximum Possible Points	Criteria
5	6	30	Qualifications (Phase 1): Demonstrated qualification and competence of the bidder personnel (experience, past performance, and reputation).
5	4	20	Project Understanding (Phase 1): Bidder's understanding of and responsiveness to the Scope of Work.
5	4	20	Experience (Phase 1): Demonstrated past experience with similar projects for similar clients
5	2	10	Interview (Phase 2): Other factors deemed necessary or advantageous by the Town.
		80	Total Possible Points

Cost Scoring:

Points Possible	Weighted Factor	Maximum Possible Points	Criteria
10	2	20	Cost: Points awarded based on formula described above
		20	Total Possible Points

The evaluation committee will tally the final scores for criteria to arrive at a consensus score. A higher technical or cost score does not automatically guarantee contract award.

The Town of Alta reserves the right, without qualification, to:

1. Select any respondent's qualifications and engage in written or oral communication, such as conducting interviews, with any or all respondents when such an action is considered in the Town's best interest.

2. Select any respondent based on the initial submission received and after detailed discussions or contract negotiations.

The Service Provider expressly agrees that the indemnification provided herein constitutes the Service Provider's limited waiver of immunity as an employer under Utah Code Section 34A-2-105; provided, however, this waiver shall apply only to the extent an employee of Service Provider claims or recovers compensation from the Town for a loss or injury that Service Provider would be obligated to indemnify the Town for under this Agreement.
