Town Water Update

To address water quality issues, The Town has been working with Bill Lester, an engineer for LKC Engineering; Tommy Overby from NC DEQ; Matt Casto and Keith Buff from NC Rural Water Association, and Bill's Well Drilling. The Board of Commissioners has approved a quote for the media replacement at Well 8; hopefully this will begin soon and will eliminate any iron and manganese.

The water being produced is of good quality and clarity, due mostly to correcting some operating systems, primarily the relocating of the chlorinator. The Emergency Interconnection with Moore County is planned to start in September, with Atkinson Infrastructure being awarded the project. Meanwhile the Board of Commissioners has voted to hire a new ORC (Operator in Responsible Charge) for the town water system; he is William Baker, will be the acting ORC until our maintenance tech, Jason Carlyle, becomes certified.

Come Wish Addie Happy Birthday!

The Town of Cameron plans to recognize our oldest known citizen, Addie McCrimmon, who will turn 99 on September 23. There will be a celebration in her honor from 2 p.m. until 4 p.m. on September 24 at Town Hall with cake and punch. Everyone is invited to stop by and wish her a Happy Birthday. Anyone wishing to send her a birthday card can mail it c/o Town of Cameron, Att: Ms. Addie McCrimmon, PO Box 248, Cameron, NC 28326.
