

This year, the United States will celebrate its 250<sup>th</sup> birthday. In honor of this milestone ,we are proposing a Veteran Banner project to recognize local veterans throughout Poland Cold Brook during the 2026 Semi quinentennial.

Tusk Print in Newport is prepared to produce the banners, and families will place orders directly through them using the divided form. We hope to begin advertising in February, secure approximately 50 orders by mid-April for installation before Memorial Day and complete a second round before the July 4<sup>th</sup> celebrations.

We are seeking support from local towns, organizations, and veteran groups to help promote this effort. We are also forming a small committee and will need volunteers to assist with banner installation.

This project offers a meaningful way to honor those who have served and to strengthen community pride during this historic celebration.

Attached is our order form.
