

**17.59 DETERMINATION OF DISPOSITION OF THE PETITION**

(a) General. The Village Board, following public hearing thereon and after due consideration, shall either deny the petition, approve the petition as submitted or approve the petition subject to any additional conditions and restrictions the Village Board may impose.

(b) Approval. The general and detailed approvals of a planned unit development shall be based on and include, as conditions thereto, the building, site and operational plans for the development as approved by the Village Board.

(1) General Approval. The general development plan submitted with the PUD application need not necessarily be completely detailed at the time of petition provided it is insufficient detail to satisfy the Village Board as to the general character, scope and appearance of the proposed development. Such plan shall designate the pattern of proposed streets and the size and arrangement of individual buildings and building sites. The approval of such general development plan, by way of approval of the petition, shall be conditioned upon the subsequent submittal and approval of more specific and detailed plans as each stage of development progresses.

(2) Detailed Approval. Detail plans must be furnished to the Village Board for its consideration and the detailed approval by the Village Board of any part or stage of the proposed development shall be required before construction of such part or stage of the development may be commenced. Before plans submitted for detailed approval within the corporate limits will be approved, the petitioner shall give satisfactory proof that he has contracted to install all improvements or file a performance bond ensuring that such improvements will be installed within the time required by the Village Board.

(c) Changes and Additions. Any subsequent substantial change or addition to the plans or uses shall be submitted for approval to the Village Board and if, in the opinion of the Village Board, such change or addition constitutes a substantial alteration of the original plan, it shall schedule an additional public hearing in which event the Village Board shall schedule a notice of public hearing as for the original petition. Following such public hearing, the Village Board shall deny, approve or approve the same subject to any additional conditions and restrictions it may impose.
