

**SEC. 17.6.62 EROSION CONTROL.**

Pursuant to the Village's Construction Site Erosion Control Ordinance, the subdivider shall cause all gradings, excavations, open cuts, side slopes, and other land surface disturbances to be mulched, seeded, sodded or otherwise protected so that erosion, siltation, sedimentation and washing are prevented. The subdivider shall submit an erosion control plan that specifies measures that will be taken to assure the minimization of erosion problems.
