

SUBCHAPTER I: GENERAL PROVISIONS

13.01 MANAGEMENT OF UTILITIES.

(1) VILLAGE BOARD RESPONSIBLE. The Village Board shall manage, operate and control the Biron Water Utility and the Biron Sewer Utility.

(2) SUPERVISION OF WATER UTILITY. The Water Utility Superintendent shall have charge of the wells, pumping stations, transmission and distribution lines, tanks and service and meters and such other work as the Village Board may direct.

(3) The Director of Public Works shall have charge of the Biron Sewerage System under the direction of the Public Works Committee and the Village Board.
