

13.15 PRIVATE WELL ABANDONMENT AND/OR INSPECTION

(1) PURPOSE. To prevent unused and/or improperly constructed wells from serving as a passage for contaminated surface or near-surface waters or other materials to reach the usable ground water, all private wells located within the Village limits shall be properly filled and sealed.

(2) EXEMPTION. Only those wells for which a well operation permit has been granted by the Water Utility Superintendent may be exempted from this requirement, subject to conditions of maintenance and operation.

(3) WELL OPERATION PERMITS. A permit may be granted to a well owner to operate a well for a period not to exceed 5 years but may be renewed upon reapplication for additional 5 year periods if the following requirements are met. Application shall be made on forms provided by the Utility Clerk and payment of a permit fee as determined by the Village Board.

(a) The well and pump installation shall meet or may be upgraded to meet the Standards for Existing Installations described in Wis. Adm. Code NR 812.42.

(b) The well and pump shall have a history of producing safe water evidenced by at least 1 coliform bacteria sample. In areas where the Department of Natural Resources has determined that ground water aquifers are contaminated with substances other than bacteria, additional chemical tests may be required to evidence safety of the water.

(c) Inspection by a state licensed well driller or pump installer, at the applicant's expense. This inspection is required every 10 years.

(d) A completed and signed copy of the NR 812 Compliance Report (WDNR Form #3300-305) on file with the utility.

(e) There shall be no cross-connections between the well's pump installation or distribution piping and the municipal water system.

(f) The well water shall not discharge into a drain leading directly to a public sewer utility unless properly metered and authorized by the sewer utility.

(g) The well filling shall be observed or verified by a representative of the Village.

(6) PENALTIES. Any person who violates any provision of this section shall, upon conviction, be subject to a forfeiture of not less than \$25 nor more than \$500, together with the costs of prosecution. Each 24 hour period during which a violation exists shall be deemed and shall constitute a separate offense.
