LaValley also stated she would put the CD at the State Bank regarding the Cemetery on the agenda for next month, as well as the dog process of collecting and paying the County with payment to the Treasurer, by resolution. He also said the Road Committee did not support the idea of a fenced in container at the recycling center, stating they thought there was too much trash that would be rejected and not allowed in a dumpster, and that there is a collection site on Hwy 35 owned by RCD.
