

RECYCLE RIGHT

Plastics #1 + #2

- Bottles, jugs, jars & tubs (put plastic caps back on)
- Plastics #3-7
Confirm with your hauler - Olson, Advanced Disposal and Waste Management will take them
- **NO STYROFOAM** egg cartons, cups, plates, packaging material, etc.

Corrugated Cardboard

(break down and flatten)

- Food / baking boxes (remove plastic liners), paper bags, manila envelopes, file folders
- **NO** pizza boxes, detergent boxes, waxy frozen or refrigerated food boxes

&

Mixed Paper

(clean and dry or it will mold)

- Newspaper, envelopes, magazines, catalogs, office paper, paperback and phone books
- Shredded Paper (put in paper bag, fold top, tape or staple closed, label "shredded paper")
- **NO USED** paper plates, napkins, towels, cups, etc. (these can be composted, but not recycled)

Aluminum + Metal Cans

- Beverage and food cans, pet food cans, metal lids from jars
- **NO** foil or food trays with food

Glass Bottles + Jars

- Beverage and food containers - keep metal lids off in recycling
- **NO** windows, dishes, ceramics, Pyrex or light bulbs

Preparing Your Recyclables

- Empty and rinse-off all food residue from containers
- Labels do not have to be removed
- No need to crush cans or plastic bottles (small items are difficult to process)
- Put plastic caps back on bottles
- Dispose of recycling loosely in the recycling container (not in bags)

Plastic Bags & Film

(the stretchy kind of plastic) can be brought to your local grocery store, Target or Walmart for recycling

- **DO NOT** place plastic bags / film in curbside recycling container

NO Yard Waste or Food Waste – organics can be composted

A-Z Recycling & Disposal Guide

sccwi.gov/Recycling

Always call the business first to confirm they are still accepting your items for disposal, their hours and any fees involved.

Below are the topics found on our website for recycling and disposal resources, along with some short answers. Look on-line for additional information and contact details.
