

Dear Citizens:

- 33 feet from the center of town roads is the town road right of way.
Farm crops are not to be planted in this area. This is a PROBLEM.
Rocks, cement, grass clippings, and garbage do not belong in this area.
The ditch is not a dumping ground.
- **Prep work** will be done this summer on 102nd Ave from County Q to the bridge. That includes culvert work, cutting trees and clearing out the road right of way. This fall the road will be pulverized and let winter over to be blacktopped in 2017. The pulverizing means adding gravel to the road and grinding up the existing blacktop. We are working at building a better road base.
- There is no parking vehicles on town roads, this includes cul-de-sacs.
- There is no zoning in the Town of Tilden.
- Please make all payment to Town of Tilden by check or money order. No cash, please.
- 911 numbers are being replaced one quarter of the Town at a time, paid for through the Town budget. The southeast quarter will be done in 2016. The driveway entrance determines where this number is to be placed. For your own safety do not remove them.
- Permits are required in Tilden. There is an **After the Fact Fee of \$250** for starting construction or building prior to getting permits.

- **All meetings are open to the public.**

MEETING NOTICES ARE POSTED AT:

DOGS

1. Dogs may not run at large. Owners are responsible for their dogs.
2. Dogs need to be on a leash when off their owner's property. Walkers and bikers should not have to fear dogs chasing them.
3. ALL dogs in the state of Wisconsin MUST be licensed.
4. Proof of vaccination or waiver from the vet is required. Licenses will not be issued without proof of shots or a waiver from a veterinarian
5. Licenses are for one year and **expire December 31st**.
6. All dogs over the age of 5 months must be vaccinated and licensed.
7. A dog who is in your possession for more than 7 days is considered your dog, per state statute.
8. Dogs not licensed by April 1st will be charged a late fee of \$25 in addition to the license fees.
9. Tilden does NOT have a contract with the Chippewa Humane Society (CHS). If you find a dog in Tilden, the CHS will not accept it. Dogs "found" will NOT be taken there. Contact the constable or a town officer. The license monies are returned to the Town of Tilden for the Town's use.
10. Report a nuisance dog to the constable, Eric Mueller 715-210-9158 or to Chippewa County Sheriff's Department 715-726-7701.
11. Dogs not licensed will mean that the owner will be taken to small claims court for failure to license and vaccinate their dog(s). The court costs (\$150+) will be added to your license fees, plus the \$25 late fee.

Get your dog licensed now.

To license any dog over 5 months old, please send the following information to:

ROADS

Road right-of-ways are not a dumping ground. Town road right-of-ways (33' from the center of the road,) belong to the town. Ditches need to be clear to protect liability.

Items that do not belong in the ditches:

- farmer's crops
- grass clippings from your lawn or yard
- cement, whether blocks or cleaning of a truck
- appliances or mattresses
- rocks (from anywhere, including farm fields)
- stumps or other debris
- garbage
- tires

The Town Chairman will be visiting farmers who are using the right of way for farmland. Report to the town board, any hazards that affect town roads and Tilden's liability; such as water on roads, potholes, downed signs or fallen trees.

If you see anyone doing damage or that damage has been done to Town property, call the sheriff's department (715-726-7701) or any town board member to report it.

ELECTION NOTES

1. **Photo ID is back.** All elections from now on will require a photo ID.
 2. In person voting is done 2 weeks before each election. It is voting an absentee ballot and photo ID is required. This can be done anytime the office is open or by appointment.
 3. Absentee ballots are sent to those who sent a written request that is only good for the current year. Photo ID is required. (See note.)
 4. Indefinitely confined voters will receive a ballot for each election after the request is made until they request no more ballots. No photo ID required. (See note)
- NOTE:** Ballots must be returned by Election Day or they will not count. PLEASE send back the ballots. Postage has been applied, by law.

No one ever needs to vote for a person they don't want. Returning a blank unvoted ballot is fine. If you don't sign the envelope, as clerk, I must call and let you know. IF your wish is not to vote, the workers will reject the ballot of an unsigned envelope. It will remain unopened. BUT, either way, we can finish our election on that day with no additional expense.

To receive an absentee ballot, please go to townoftilden.com or contact the clerk. Find the elections tab and fill out a GAB 131 AND return it to the clerk.

Voting does not make you eligible for jury duty; your driver's license does.

The Tilden Volunteer Fire Department is reminding you to check:

Smoke and Carbon Monoxide DETECTORS:

Change your batteries in your smoke detectors and carbon monoxide detectors with daylight saving time.

If your smoke detectors and carbon monoxide detectors are more than 10 years old, it would be a good idea to replace them. Carbon monoxide detectors are required on every floor

911 NUMBERS:

Must remain on the same side of the road in which they were originally placed.

Must be visible and erect. It is the landowner's responsibility to do so.

REMEMBER TO:

Have your furnace serviced

Clean your chimney.....It could save your family's lives

Check your fire extinguisher that it is working and charged.

For a burn permit - You may NOT leave a message saying you are going to burn. They will give you a number. There is NO burning on Sundays or Holidays. Please be responsible, especially when conditions are dry or windy. You may burn at night.

BURN PERMITS not required for burning barrels, campfires or cookouts.

Burning permits are needed for ALL other fires.

ATV/UTV Route

In early 2015, the Town Board of the Town of Tilden was approached by the Eagle Point ATV Club to provide an ATV route in the Town of Tilden. The objective of this route was to go from the Town of Eagle Point to the Town of Howard. In July of 2015, the Town Board appointed a committee to determine the feasibility and location of an ATV route. This committee consisted of four Town of Tilden residents and three members of the ATV group who were also residents of the Town of Tilden.

After several meetings by this group, a route was drawn and an ordinance written and this was presented to the Town Board at the February 2016 meeting. The recommended route is as follows:

The western portion of the route begins on 130th Avenue and goes west from County Hwy. Q to County Hwy. C. A trail then crosses private land until it meets with 125th Avenue. The route continues west to 90th Street, then south to 120th Avenue then west from 90th Street to 70th Street. 70th Street south to the Town of Howard.

The eastern portion of the route would enter from Town of Eagle Point to 128th Street, to 125th Street. 125th Street South to 120th Avenue. 120th Avenue from Town of Eagle Point to 118th Street. 118th Street south which transitions into 120th Street. 120th Street to County Hwy. B.

Informational meetings were held on April 14 at 8:00 p.m. and April 16 at 12:00 noon. A public hearing will be held at a later date.

This will not allow ATV's/UTV's on all roads. They may have to be trailered and unloaded at Bresina's or Dougies. The Town has no jurisdiction over County Roads.

Community Preservation Study Committee

This committee studies problems in the Town. Meets third Wednesday **quarterly or when needed** - 7:00 pm. Chairman: Al Goettl, Daniel Adams, Frank Beaudette, Brian Berthiaume, Wayne Bowe, Julie Geissler, Eric Goettl, Victor Goettl, David Hartman, Wayne Nehring, Dan Reischel, and Judy Roth
