AREAS OF CONCERN

- Building permits are issued by the Town Clerk. Building permits take time to issue always allow 7 to 10 days before your project begins. New home construction requires filling out an online Wisconsin Uniform Dwelling Permit Application and reviewing the plans take time. Please allow time for this to take place.
- Make all payments by check or money order to Town of Tilden. No cash, please.
- 911 number project was completed last year. For your own safety do not remove them.

PERMITS ARE REQUIRED

There is no zoning in the Town of Tilden but the Town does have ordinances that affect land use. Permits are required in Tilden. There is an **After the Fact Fee of \$250** for starting construction or building prior to getting permit. If in doubt call the Clerk. Building and Driveway Permits are required in the Town of Tilden. Please contact the clerk, Steve Plendl, 715-529-7438, for permit applications and ordinances. **Or** see www.townoftilden.com, then permits. The instructional sheet is a great guide.

ROADS

The road right-of-way is not a dumping ground. The Town's right-of-way is 33' from the center on town roads and belongs to the town. Ditches need to be clear and clean to protect the Town from liability. Items that do not belong in the road ditches include: farmer's crops, grass clippings from your lawn or yard, cement - whether blocks or cleanings from a truck, appliances or mattresses, rocks (from anywhere, including farm fields), stumps, garbage, tires, or other debris. There are no parking vehicles on town roads, this includes cul-de-sacs.

The Town Chairman will be visiting farmers who are using the right of way for farmland. Please report to the town board, any hazards that affect town roads and Tilden's liability; such as water on roads, potholes, downed signs or fallen trees.

If you see anyone doing damage or that damage has been done to Town property, call the sheriff's department (715-726-7701) or any town board member to report it.

DOGS

1. Dogs may not run at large. Owners are responsible for their dogs. Dogs need to be on a leash when off their owner’s property. Walkers and bikers should not have to fear dogs chasing them.
2. ALL dogs in the State of Wisconsin MUST be licensed. Licenses are for one year and expire December 31st and need to be renewed every January 1st.
3. Licenses will not be issued without proof of rabies vaccination or a waiver from a veterinarian. Vaccination papers are required with the payment and will be returned. All dogs over the age of 5 months must be vaccinated and licensed. Any dog that is in your possession for more than 7 days is considered your dog, per State Statute.
4. Dogs not licensed by April 1st will be charged a late fee of \$25 in addition to the regular license fees.
5. Tilden does NOT have a contract with the Chippewa Humane Society (CHS). If you find a dog in Tilden, the CHS will not accept it. Dogs “found” should NOT be taken there. Contact the constable or a town officer. Because Tilden is not part of the Chippewa Humane Society it is Town Policy that all dogs “found” are held in Tilden. All dogs are held for 7 days and then are dealt with. If you find a dog in the Town of Tilden contact Tilden’s Constable Frank Beaudette at 715-529-3847.
6. Owners of unlicensed Dogs will be taken to small claims court for failure to license and vaccinate their dog(s). The court costs (\$150+) will be added to the regular license fees plus a \$25 late fee.

Get your dog(s) licensed now. Make checks payable to TOWN OF TILDEN

Send to:

Mary Hartman, Treasurer (715-288-6755)
10460 110th Street
Chippewa Falls, WI 54729

Include the following with the correct license fee

| | Owner’s Name and Address | The appropriate license fees – see below |
|--|-----------------------------|---|
| | The Dog’s name | <ul style="list-style-type: none"> • \$8.00 – spayed or neutered dog • \$13.00 – unsprayed or unneutered dog • \$60.00 – Kennel License for up to 12 dogs - \$7.00 each additional dog over 12 |
| | The Dog’s Breed | |
| | Name of Veterinarian | |
| | Proof of Rabies Vaccination | |
| | | |

Why should I license my dog?

Because it helps the fire department and first responders when they come to your home. If there is an unlicensed dog on the property they are responding to, it must be restrained by you before they can do their job. It is the owner’s responsibility to prove that their dog(s) are vaccinated and licensed. This insures that all emergency personnel are able to do their job for you and your family.

RECYCLING CENTER

Day: Saturday **Hours:** 8:00 am - Noon

Location: behind the Tilden Town Hall 10790 100th Avenue.

There are people there to help you.

It is illegal to leave garbage or recycling at the center when it is unattended.

Tilden will not accept any furniture, construction materials, monitors/TV's, or wood stereo/TV's

Pharmaceuticals may be disposed of at any police department. Please do not flush them.

Separating recyclables helps offset costs Place tin cans in the metal receptacle.

Aluminum cans in the Recycling Shed. We get paid for these.

RECYCLING DUMPSTERS:

Plastic and glass are co-mingled. All plastic with a recycle symbol is accepted. Be sure to rinse before recycling plastic and glass containers.

All newspaper, slick, shiny paper, magazines, catalogs, office paper, and books without covers maybe recycled together.

All cardboard must be flattened. This saves space in the recycle dumpster.

ELECTRONIC RECYCLING:

Almost all electronics and batteries - lead and rechargeable, Microwaves, small appliances, Computers (no monitors or TV's) are recycled for a fee.

METAL DUMPSTER:

Workers must approve everything placed it. Tin cans and clean metal only, no plastic or wood allowed. We get money for clean metal.

GARBAGE DUMPSTER:

Garbage bags are needed. The cost is \$3.50 each or 10 for \$35.00 which can be purchased at the Recycling Center or the Town Office when open. All other garbage items must be approved by the workers at a minimum of a \$5.00 fee.

OLD TILDEN DUMP SITE:

Only brush or wood scraps - No stumps are collected there and this is by permission only. For permission contact:

715- 456-1540 Wayne Bowe

715- 723-5674 Dan Adams

715- 933-0976 Dan Reischel

Chippewa County collects Appliances and Computers and some Hazardous Waste at the Northern Wisconsin State Fairgrounds - usually in April and again in October, check with Chippewa County for dates. Tires are collected behind Lafayette Town Hall. Details are hanging at the Recycling Center or call 715-726-7999 Chippewa County Recycling or see their web page at www.co.chippewa.wi.us/lcfm search: recycling programs

ATV/UTV Route

In early 2015, the Town Board of the Town of Tilden was approached by the Eagle Point ATV Club to provide an ATV route in the Town of Tilden. The objective of this route was to go from the Town of Eagle Point to the Town of Howard.

This doesn't not allow ATV's/UTV's on all town roads, only those marked. ATV/UTV's may have to be trailered and unloaded at Bresina's or Dougies. The Town has no jurisdiction over County Roads

The western portion of the route begins on 130th Avenue and goes west from County Hwy. Q to County Hwy. C. A trail then crosses private land until it meets with 125th Avenue. The route continues west to 90th Street, then south to 120th Avenue then west from 90th Street to 70th Street. 70th Street south to the Town of Howard.

The eastern portion of the route would enter from Town of Eagle Point at 128th Street, to 125th Street. 125th Street South to 120th Avenue. 120th Avenue from Town of Eagle Point to 118th Street. 118th Street south which transitions into 120th Street. 120th Street to County Hwy. B.

Once the signs are up, the route will be **open May 1st and close November 1st.**

IT IS ILLEGAL TO RUN ATV'S ON TOWN ROADS FROM NOVEMBER 1ST TILL APRIL 30TH.

The Tilden Volunteer Fire Department reminds you to check:

Smoke and Carbon Monoxide DETECTORS:

If your smoke detectors and carbon monoxide detectors are more than 10 years old, it would be a good idea to replace them. Carbon monoxide detectors are required on every floor. Change the batteries in your smoke detectors and carbon monoxide detectors with daylight saving time.

911 NUMBERS:

Must remain on the same side of the road in which they were originally placed. Must be visible and erect. It is the landowner's responsibility to do so.

REMEMBER TO:

Have your furnace serviced and clean your chimney.....It could save your family's lives. Check your fire extinguisher that it is working and charged.

For a burn permit - You may NOT leave a message saying you are going to burn. One of the people listed below will give you a burning permit number. There is NO burning on Sundays or Holidays. Please be responsible, especially when conditions are dry or windy. You may burn at night.

BURN PERMITS not required for burning barrels, campfires or cookouts. Burning permits are needed for ALL other fires.
