

March 17, 2026

Due to the extreme weather conditions, Harter's Fox Valley disposal has made the decision to delay service 1 day for all residential routes. Wednesday pick up will be moved to Thursday.

Our apologies for any inconvenience to residents; however, we feel the decision is necessary for the safety of our drivers, technicians, and staff. Our facilities will remain closed Monday, March 16th and will re-open Tuesday morning.

Thank you in advance for your understanding and stay safe!

Sincerely,

Harter's Fox Valley Disposal
