

Bringing Grassland Birds Back To Lyons

Meadowlark

Bobolink

Henslow's Sparrow

Pheasant

Over the last several decades, grassland bird populations have dropped dramatically here in Lyons. Please join us for this collaboration between Lyons Residents, the Lyons Biodiversity Project/Kettle Moraine Land Trust, Wisconsin DNR, and Pheasants Forever. Our goal for this workshop is to develop a strategy to bring these birds back.

Our Presenters:

Nathan Holoubek
Wildlife Biologist - Bureau of Wildlife Management, Division of Fish, Wildlife, and Parks
Wisconsin Department of Natural Resources

Lauren Soergel
Farm Bill Biologist - Pheasants Forever, Inc. and Quail Forever

Josh Bendorf
Precision Ag & Conservation Specialist - Pheasants Forever, Inc. and Quail Forever

We will discuss:

- Habitat Requirements
- Management Practices
- Seed Mix Recommendations & Sources
- Monitoring
- Funding Options
