The "Taxes" is open by default. Scroll down to see if there is a "Pay Taxes" button. If there is a "Pay Taxes" button, that means your municipality or county accepts on line payments. If there is no "Pay Taxes" button, that means your municipality or county does not accept on line payments. If you have any questions, please contact your municipality or county directly.

If there is a button and it is red, you can pay your taxes on line. If there is a button and is white, you cannot pay your taxes on line at that time. Reasons you may see a white button are: first installment is due where the county takes on line payments but the municipality does not; there are no taxes due.
