A gem in our community is in the final stage of rehabilitation. Volunteers ommemorative and local organizations created a small garden on the grounds of the recently renovated historic Old Town Hall located on the corner of Main St. and Garfield. It features brick walkways and ordered beds inspired by English gardens of the late 1800's. You can be a part of community history by adding your own inscribed brick to the garden project.

Your 8^{1/4}" x 4" personal message, memorandum, or family name can be a part of this community walkway. Bricks are insured and maintained by the Town of Somerset. Proceeds help support maintenance of historic Town Hall and its garden. You will be notified when your brick is installed. You may also include a 8.5"x11" document with details about your brick inscription for an historic archive. Photos are encouraged!

\$100 one brick, for continued inscriptions, \$175 two bricks, \$250 three bricks. For more information (715) 247-3242, wlawson@frontiernet.net or visit www.townofsomerset-wi.org
