Dear Town of Clyman Residents,

LRS is proud to announce **new curbside trash and recycle collection service** for the residents in the Town of Clyman beginning **Tuesday, March 5th**

LRS will deliver one new trash cart and one new recycle cart in late February. **Carts will be placed near your fire number sign, so please be on the look-out and move carts up near your home or into your garage.** On your service day, carts must be curbside by **6am**, 3 feet from any obstruction, and 3 feet between carts on trash and recycle day. **(If you currently have curbside service with us, your account will automatically be cancelled as of 3/1/24 and you will continue using the carts you have now.)**

COLLECTION PROGRAM GUIDELINES: All waste and recycling materials must be **INSIDE** of the carts; waste or bags outside of the carts will not be taken.

WASTE (trash, garbage, refuse):

Your trash cart will be serviced **every week** based on the enclosed calendar. Solid waste is what most of us think of as “trash”, “refuse” or “garbage” that is produced at home, work or leisure. This category does NOT include any of the recyclable items listed below, any household hazardous waste, liquid latex paint, yard waste, appliances, electronics or construction debris. (no concrete, rock, large construction waste items.)

BULK ITEM SERVICE:

One bulk item allowed per home, per month. Monthly bulk day noted on calendar with **BOLD square**. Item must be <50 lbs. and manageable by one person (or broken down into manageable pieces) *No tires, no appliances, no batteries, no waste oil, no waste liquids, no hazardous material, and no yard waste. Residents must call/email to schedule pick-up at least 48 hours before monthly scheduled bulk pick-up day. Email bltownservice@lrsrecycles.com or call (608) 580-0580.

RECYCLING:

Your recycling cart will be serviced every other week based on the enclosed calendar. (see flip side) The following items are banned from Wisconsin landfills and as a result should be placed in your recycling cart for proper processing, handling and/or reuse:

- Aluminum containers, glass containers, steel containers (tin/aluminum cans)
- Bi-metal containers (containers made from a combination of steel and aluminum)
- Corrugated cardboard (corrugated cardboard cut into pieces no larger than 3' x 3')
- Newspaper, magazines, and other materials printed on newsprint, or mixed paper
- Plastic containers #1-7: milk jugs, laundry detergent bottles, soda & water bottles, and all plastic containers labeled as recyclable.

LRS is excited to provide this new service and appreciate the opportunity to partner with the Town of Clyman! Please email us at BLtownservice@LRSrecycles.com to learn about additional services available at your home or business! ☺
