

VILLAGE OF
WOODVILLE

APPLICATION FOR SIGNAL-RECEIVING PERMIT

In accordance with Chapter 525-69 Signal-Receiving Antennas, Property owners who wish to install a signal-receiving antenna must submit their **written plan** and related information on the form provided by the Village along with a fee of \$500.00.

Name of Person, Firm, or Corporation: _____

Address: _____ **City:** _____ **State:** _____ **Zip:** _____

Phone Number: _____ **Email:** _____

Tax Parcel Number: _____ **Zoning District:** _____

Lot Area & Dimensions: _____ **Square Feet:** _____

(Circle one) **Single Family/Owner occupy** OR **Rental/+all others**

Upon receiving payment, copies of the completed application shall be mailed by the Village to each of the owners of record, as listed in the office of the Village Assessor, who are owners of the property adjoining the boundaries of the property for which the application is made. If within 10 calendar days of mailing the copies of the complete application to the neighboring property owners the Village receives any written objections to the installation of said antenna, no permit shall be issued, and the application, plans and any objection thereto shall be referred to the Zoning Board of Appeals under Article XIV of this chapter.

Attach the following:

1. General plot plan showing the location of the proposed signal-receiving antenna with respect to streets, lot lines and buildings along with a sufficient set of mounting plans and specifications and proposed signal-receiving antenna weight.
