Acceptance of any late charge shall not constitute a waiver of RESIDENT'S default with respect to the past due amount nor prevent OPERATOR from exercising any of the other available rights and remedies.

The parties agree and understand that all payments made by RESIDENT shall be applied first to any tax or other charges levied by a governmental unit, then to any other charges (other than prior late charges) required to be paid by RESIDENT as set forth elsewhere in this Lease, and finally to rent.

 - A. RESIDENT must first notify OPERATOR at least 45 days before the sale that he or she wishes the Home, if sold, to remain in the Park, advising of the anticipated date of sale and requesting that OPERATOR inspect the Home.
 - B. If required by OPERATOR, the Home must be inspected by the Village Building inspector approved by OPERATOR to evaluate all items relating to the health and safety of the inhabitants of the Home and nearby residents. A copy of the inspection report must be given to both parties at least 30 days prior to the sale. RESIDENT shall be responsible for paying any inspection costs.
 - All repairs or changes which are found necessary as a result of the inspection must be completed by RESIDENT and approved by the Village Building Inspector at least 10 days prior to the sale of the Home. After the inspection has been performed, any necessary repairs have been completed and the Home is found to be in satisfactory condition, OPERATOR will provide RESIDENT a letter stating that the Home is qualified for resale. Such letter shall be provided to the RESIDENT no later than 5 days after the RESIDENT notified OPERATOR that the repairs are completed.

If the application is approved by OPERATOR, then on or before the date of closing of the sale the purchaser must sign a new lease and pay in full the security deposit and all rent charges otherwise due.

RESIDENT specifically acknowledges and agrees that strict compliance with the foregoing procedure is required and that "time is of the essence" as to the time of performance. Time is of the essence means that performance of an act must be done no later than the exact date, not one day after. If RESIDENT fails to follow the procedures outlined herein or fails to take action to bring the Site or Home into compliance with the requirements set forth herein and RESIDENT proceeds to close the sale, exchange or transfer of the home, OPERATOR shall have the right to terminate this lease and/or require that the Home be removed from the park. RESIDENT acknowledges that OPERATOR has the right to screen any prospective purchasers and unless the prospective purchaser is accepted by OPERATOR, the applicant will not be given a new lease and tenancy in the park will be denied. If the application of a

prospective purchaser is denied during the term of this Lease, this Lease shall continue in full force and effect and all of the obligations of RESIDENT shall continue. If an unapproved applicant commences occupancy, such occupancy will be considered a breach of this Lease and the occupant may be evicted pursuant to Court procedure. Both parties understand that the denial of approval to the proposed sale will occur because of a failure to comply with the procedure outlined herein and/or a failure to meet the standards of the park and not because there has been a change in ownership of the Home or the age of the Home.

- 13. VACATION OF PREMISES. The RESIDENT shall give the OPERATOR a thirty-day written notice of the intention to vacate the premises prior to the end of the rental term.
- 14. MAINTENANCE OF PREMISES. The RESIDENT shall maintain the premises in good condition and repair. RESIDENT shall properly care for and cultivate the lawn, trees, garbage disposal, snow removal and general grounds of their lot. If RESIDENT does not timely perform the work, OPERATOR may perform the work and charge the RESIDENT for the reasonable costs of doing so. OPERATOR will give RESIDENT an itemized bill for any such services performed; payment must be made within thirty (30) days of the date of the notice.
- 15. EMERGENCY SHELTER. The Woodville Municipal Mobile Home Park contains an emergency shelter located in the northeastern part of the park. Upon signing this lease you will be provided a code that will give you access on the key pad located on the door.

Residents occupying the shelter during severe weather conditions are to maintain a sense of quiet and order and are to follow the directions of any emergency service personnel present.

16. DEFAULT/EVICTION.

- A. Any RESIDENT whose rent and parking fee is not paid by the 10th of the second consecutive month will be subject to a five-day eviction notice. If the rent is not paid within this five-day period, OPERATOR will commence with eviction. Any similar violation occurring within one year of the issuance of the five-day notice will subject RESIDENT to issuance of a fourteen-day notice to vacate the premises. Any other violation of the rules and regulations of the Park will subject RESIDENT to the same notice and eviction procedure.
- B. If RESIDENT fails to perform any of the terms of this Lease or of the rules and regulations, OPERATOR shall give RESIDENT written notice of such breach as required by Wisconsin Statutes and if RESIDENT fails to remedy the breach within the time stated in such notice, then this Lease is terminated and OPERATOR may recover possession of the Premises. If OPERATOR repossesses the Premises, such action shall not affect RESIDENT's liability for past rent or other charges due or future rent to accrue under this Lease, but the same shall continue as if such repossession had not taken place. The

provisions herein shall be in addition, to, and without prejudice to, any other rights and remedies OPERATOR may have. It is expressly agreed by the parties hereto, that after the service of notice or the commencement of a suit, or after final judgment for possession of the premises, OPERATOR may receive and collect any rent due, and the payment of such rent shall not waive or affect such notice, suit or judgment. Waiver of a breach of any term, condition or covenant of this Lease by either party shall be limited to the particular instance and shall not be deemed to waive past or future breaches of the same or other terms, conditions or covenants. Vacating or abandoning the premises does not relieve RESIDENT of the obligation to pay any amounts due under this Lease or any amounts which may hereafter become due under this Lease. Attorney's fees and court costs incurred by the OPERATOR to enforce this Lease may be recovered against RESIDENT if awarded pursuant to a court order.

17. NOTICES. RESIDENT may give any notice required by this Lease by personally taking the notice to the Village Clerk's office, 102 Main Street, Woodville, Wisconsin, or by mailing the notice to:
