Section I: Purpose:

The purpose of this ordinance is to ensure that the quality and nature of the short-term rentals operating within the Town of Lincoln are adequate: to protect public health, safety, and general welfare; to determine the responsibilities of the owners, operators, and property managers offering their properties for tourists and transient occupants; to protect the character and stability of neighborhoods within the town: and to provide provisions for the administration and enforcement thereof.

Section II: Authority

The Town Board of the Town of Lincoln has been authorized to exercise village powers pursuant to ss. 60.10(2)(c) and s. 60.22(3), Wis. Stats. The Town Board adopts this ordinance under its general village powers authority and s. 66.1014 of Wisconsin Statutes.

Section III: Definitions

“Residential dwelling” means any building, structure, or part of the building or structure, that is used or intended to be used as a home, residence, or sleeping place by one or more persons maintaining a common household, the exclusion of all others.

“Short-term rental” means a residential dwelling that is offered for rent for a fee and for fewer than 29 consecutive days.

Section IV: Short-Term Rental License

- 1) No person may maintain, manage, or operate a short-term rental for more than six nights each year without a town short-term rental license issued pursuant to this ordinance.
- 2) Issuance of a Short Term Rental License assumes that the owner has obtained all appropriate licenses, permits, liability insurance, and met all other requirements necessary to operate the property as a Short Term Rental.
- 3) Licenses shall be issued using the following procedures:
 - a) All applications for a short-term rental license shall be filed with the town zoning administrator on the forms provided. Applications must be filed by the Property Owner. No license shall be issued unless the completed application form is accompanied by payment of the required application fee.
 - b) Each application shall include, at a minimum, the following information and documentation for each short-term rental unit:
 - i) A copy of the State of Wisconsin License for a Tourist Rooming House License issued under Wis. Stat. Sec. 254.64;
 - ii) A copy of a completed State Lodging Establishment Inspection form dated within 1 year of the date of issuance or renewal.
 - iii) Designation of the Property Manager with complete 24 hour contact information.
 - c) The filing fee shall be paid upon filing of the applications. Any application which does not include all of the information and documentation and the filing fee shall not be considered as complete.
 - d) When satisfied that the application is complete, the zoning administrator shall forward the initial application for license to the Town Board of Supervisors. If there are questions or unresolved issues with the application, the application shall be forwarded to the Plan Commission at the discretion of the Zoning Administrator. If the Board of Supervisors determines that the application is complete and meets the requirements of this ordinance, they

may approve the application. If the Board of Supervisors determines that the application does not meet the requirements of this ordinance, they may refer the application back to the Zoning Administrator.

- e) No license shall be issued or renewed if the applicant or property has any outstanding fees, taxes, or forfeitures owed to the Town of Lincoln, unless arrangements for payment have been approved by the town board.
- 4) The town zoning administrator shall issue a short term rental license to the applicant following payments of the required fee, receipt of all information, and documentation requested by the application, and town board approval of the application.
 - 5) The short-term rental license shall be effective for one year from the time of approval by the Town Board, and may be renewed for additional one year periods provided no violations are in effect at the time of renewal. A renewal application and renewal fee must be filed with the Zoning Administrator at least 45 days prior to license expiration so that the town board has adequate time to consider the application. The renewal application shall include any updated information since the filing of the original application. A renewal application shall also be filed with the Zoning Administrator any time there is information to be updated. An existing license becomes void and a new application is required any time the ownership of a residential dwelling license for short-term rentals changes. Change of ownership requires a new review by the Zoning Administrator.
