

Together, we support one another.

Join our FREE virtual support group!

Family Support Network™ of Southeastern NC offers a free, confidential, and virtual support group for parents, guardians, and caregivers of children with special healthcare needs or disabilities. Our group provides a safe and welcoming space where families can connect, share experiences, and receive emotional support from others who understand their journey. Participants can also access valuable information about local resources, therapies, educational services, and medical care. Whether you're seeking advice, reassurance, or simply a listening ear in a supportive community, our group is here to empower and uplift families, all from the comfort and privacy of your own home.

Third Wednesdays at 6:00 p.m.
