Pet License Information

All pet licenses are valid for the calendar year (January1st thru December 31st).

To obtain a Pet License please send or bring in the following information to the Village Hall.

- Proof of the current rabies vaccination. A rabies certificate is required. The rabies certificate must include the date the rabies vaccine was given, vaccine serial number, date the vaccine will expire, and the manufacturer of the vaccine. We do not call your veterinarian to obtain this information.
- Proof of your pet having been spayed or neutered.
- A check made payable to Village of Brooklyn. Note: This check cannot be combined with any other Village payments.
- Self-addressed and stamped envelope. If you do not include a self-addressed stamped envelope you will have to pick your license up at the Village Hall during regular business hours.
