

Why do other communities give?

Mark Dupuis, the Fire Chief and Emergency Management Director in Wells, says that his department faces an “ever-increasing response to emergency incidents.” These include car crashes, fires, water rescues, and medical events in the community. Local first responders and LifeFlight crews work together to give patients their best chance at survival. “Wells Fire Department is a group of highly skilled and trained firefighters, EMTs, and medics who work collaboratively on all LifeFlight responses; we encourage other communities to support LifeFlight as they are able” said Chief Dupuis.

Thank you for your past support, we hope that we can count on you again this year. **Please consider giving a gift of \$564, based on a \$0.5 per capita rate.** Together, we ensure people have access to the care they need when they need it. We are grateful for your partnership and commitment to this cause.
