Two Thousand Twenty-Five

The 2026 Town Report is proudly dedicated to

William “Billy” Nichols

Billy has consistently gone above and beyond the call of duty to protect and serve the citizens of Steuben, he has given 44 years of unwavering service as a Paramedic/EMT as well as the safety officer of Steuben Volunteer Fire Department and our Health Officer for the last couple years which has left an indelible mark on our community. Billy's career has been defined by a calming presence during stressful moments and a deep commitment to the well-being of every neighbor. We thank him for his tireless efforts, countless hours of training and for always being the safety net we depend on. His selfless commitment reminds us of the true meaning of community service.
