Greetings,

We are fortunate to call Maine home. It is a state defined by its rugged beauty, close-knit communities, and resilient people. That spirit of resilience and connection is at the heart of LifeFlight of Maine's mission.

Since 1998, we have transported over 41,00 patients, rapidly delivering ICU-level care to people facing the worst moments of their lives — cardiac arrests, strokes, traumatic injuries, and newborn medical emergencies. **In this moment when our healthcare system seems fragile, LifeFlight continues to respond to greater demand for its services statewide. We cannot do it alone. We need your community's support.**

**In the last 27 years, LifeFlight has transported 85 patients from Steuben.** Each transport represents someone whose life depended on the speed, skill, and ICU-level care our teams deliver. When you support LifeFlight, you are investing in your own community's access to critical care.

**Please consider giving a gift of \$565, based on a \$0.5 per capita rate.** We are grateful for your partnership and commitment to our mission. We know that communities like yours have many important priorities. Supporting LifeFlight is one of the most direct, impactful ways to invest in the health and safety of Maine's people.

Thank you for believing in our mission, thank you for standing with us, and thank you for helping LifeFlight ensure access to critical care when it is needed most for every community in Maine.

Enclosed are FAQs and supplemental information about LifeFlight, a map depicting where the patients we transported last year live, and a map of Maine communities that support LifeFlight — as you'll see, it takes all of us coming together to make this work. We encourage you and the leaders in your community to reach out to us with any questions. If you need additional information or a specific application form is required to accompany this request, please let us know.

With grateful appreciation,
