BITS & TIDBITS

How Can You Help??

Could YOU Serve As Town Clerk?

Bill Clancy has announced that he will not seek re-election for the position of Town Clerk. We realize that his are big shoes to fill after his 50+ years of service in this role, but know that he'd be a great mentor for you, there's a good training and seminars available, and the fellowship with other clerks from nearby towns is fabulous! This is a part-time, compensated position, requiring a person who is well-organized, a good communicator, dependable with forms, numbers, minutes, public notices, and reports. The clerk is also responsible for elections – working with BC Clerk for the ballots, acquiring workers, scheduling voting machines maintenance,

transmitting results to BC, absentee ballots, etc.

If you think you'd be interested in this position, please contact the Town Chairman, Mike Smits, at 920-609-1007 as soon as possible.

This is a two-year term, with the election being in April. However, for names to appear on the ballot, the nomination papers have to be filed by January 3, 2023.

Seeking Persons for Potential Town

Hall Committee: We are looking for resident individuals who'd be willing to serve on a potential Town Hall Advisory Committee, to help with plans, site management, etc. Persons should contact the Town Chairman, Mike Smits (920-609-1007) with information about

yourself, your experiences, and what you'd be able to bring to this committee as they begin plans for a potential town hall.

2024 Yard Waste Attendant

Needed: Many thanks to Mark Kiel, who has been a generous and dependable volunteer as our Yard Waste Attendant for the past several years. He has announced that 2023 will be his last year to serve in this role. We are looking for an individual to replace him, starting in 2024. He is willing to mentor the new person this coming season, which should help make your transition much easier. Call Mark if you are interested: 920-540-8141.
