

2024 Brown County Port & Resource Recovery Policy and Rate Update

The mission of the Port Division of Brown County Port & Resource Recovery is to enhance the prosperity of the people of northeastern Wisconsin by providing facilities and infrastructure able to effectively move commodities and goods across the nation.

The mission of the Resource Recovery Division is to meet the recycling and disposal needs of local communities, residents and businesses through methods that are environmentally sound, technically feasible and economical. These methods incorporate waste reduction, material reuse, recycling, composting, hazardous waste recovery, solid waste disposal and waste-to-energy efforts.

The Resource Recovery Department oversees the county resource recovery operations. These operations include: a Recycling Transfer Station (RTS) where recyclables are collected and transferred to the Brown, Outagamie, and Winnebago County (BOW) Single-Stream Material Recovery Facility for processing; the Solid Waste Transfer Station (WTS) where waste produced by county residences, businesses and municipalities is collected; the BOW South Landfill (SLF) where solid waste is taken for disposal; and, the Hazardous Material Recovery Facility (HMR).

Brown County Solid Waste Transfer Station (WTS)

3734 W. Mason Street, Hobart, WI 54155

BOW South Landfill (SLF)

1258 Mill Road, Greenleaf, WI 54126

- Loads weighing less than 900 pounds will be charged a minimum fee of **\$26.00**
- Loads over 900 pounds will be charged the Gate Rate per ton.
- The 2024 Waste Transfer Station Gate Rate is **\$61.00/ton** and **\$71.00/ton** during Road Weight Limits.
- The 2024 South Landfill Gate Rate is **\$53.00/ton**.
- The minimum fee for concrete, stumps and logs is **\$5.00**.
- The disposal rate for Waste Tires is **\$425.00/ton**.
- Non-Freon Appliances and Microwaves are **\$5.00 each**
- Freon Appliances is **\$15.00 each**.

Payment Methods: The Solid Waste Transfer Station and South Landfill **do not accept cash or check**; customers must pay by credit card or by setting up an approved charge account.

or call (920) 492-4950.

Recycling Transfer Station (RTS)

2561 S. Broadway, Ashwaubenon, WI 54304

Due to uncertainty in the global economy and weak recycling commodity markets, we anticipate continuing to charge for material coming into the Recycling Transfer Station throughout 2024.

Scale-Only fee is **\$10.00** and refused material at the Recycling Transfer Station is **\$55.00** per incident plus the cost of disposal of any material banned from recycling.

Hazardous Material Recovery Facility (HMR)

2561 S. Broadway, Ashwaubenon, WI 54304

Non-hazardous and universal waste items will have a **\$0.30/lb** fee in 2024 including all light bulbs, electronics without a battery, adhesives, windshield washer fluid, latex paint, anti-freeze, cooking oil/grease, and small corded appliances.

- Automotive lead-acid batteries and 1 lb. propane cylinders are **\$1.00/unit**.
- Household batteries and battery-containing devices will be accepted for **free** from Brown County residents.
- Microwaves and fire extinguishers are **\$5.00/unit**.
- Dehumidifiers, miniature refrigerators, small A/C units and small water coolers are **\$15.00/unit**.

Rates are for Brown County residents only. Businesses and Residents from other counties will be charged higher rates.
