**Sequence & Procedures For Building Permit Applications**

1. Go to <https://hollandbrowncountywi.gov> to find the Building Permit Application under the 'Forms & Permits' tab.
2. Fill out the Town of Holland Building Permit Application, found in the list of 'Forms'
3. The 'Submit' button at the end of the application will forward the document to the Town's Zoning Administrator, who will determine whether the project requires any approval from the Town Board or Planning Commission.
4. It also forwards the Permit Application to the town's Building Inspector, Ryan Geiger.
5. When approved, Building Inspector Geiger will prepare the building permit portion of the application, calculate and notify you of the fee.
6. You will send the fee to the Town Clerk, Gloria Kennedy, 7928 St Pats Church Road, Greenleaf, WI 54126.
7. Once the fee is received, the Clerk will notify Mr. Geiger, who will then issue the Building Permit.
