

BROWN COUNTY
NOTICE OF SPRING GENERAL, REFERENDUM AND SAMPLE BALLOTS
TUESDAY, APRIL 7, 2026

OFFICE OF THE BROWN COUNTY CLERK TO THE VOTERS OF BROWN COUNTY:

Notice is hereby given of a spring election to be held in Brown County on April 7, 2026, at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

Information to Voters

Upon entering the polling place and before being permitted to vote, a voter shall:

- state their name and address
- show an acceptable form of photo identification*
- sign the poll book**

⇒ **If a voter is not registered to vote, they may register to vote at the polling place serving their residence if the voter provides proof of residence.**

⇒ ***If a voter does not have acceptable photo identification, the voter may obtain a free photo ID for voting from the Division of Motor Vehicles.**

⇒ ****If the voter is unable to sign the poll book due to disability, a poll worker may write the word “exempt.”**

Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot.

Upon being permitted to vote, the voter shall enter a voting booth or go to a voting machine and cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the voter in marking their ballot may be taken into the booth for referral. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

A voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward.

An election official may inform the voter of the proper manner for casting a vote, but the official may not advise or indicate a particular voting choice.

Assistance for Voting

A voter may select an individual to assist in casting their vote if the voter declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

Where Optical Scan Voting is Used

The voter shall fill in the oval next to the name of the candidate of their choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote and fill in the oval next to the write-in line. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question, or the voter shall fill in the oval next to "no" if opposed to the question.

When using an electronic ballot marking device (“ExpressVote”) to mark an optical scan ballot, the voter shall touch the screen or use the tactile pad to select the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of their choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen or use the tactile pad to select "yes" if in favor of the question, or the voter shall touch the screen or use the tactile pad to select "no" if opposed to the question.

Spoiling Ballots

If a voter spoils an optical scan ballot, they shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

After Voting the Ballot

After an official optical scan ballot is marked, it may be placed in a provided security sleeve, so the marks do not show. The voter shall insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

PATRICK W. MOYNIHAN, JR.
Brown County Clerk

Referendum Election Details

At an election to be held in the School District of Denmark on April 7, 2026, the following proposed Revenue Limit Resolution of the School Board will be submitted to a vote of the people:

RESOLUTION AUTHORIZING THE SCHOOL
DISTRICT BUDGET TO EXCEED REVENUE LIMIT
BY \$925,000 PER YEAR FOR THREE YEARS
FOR NON-RECURRING PURPOSES

BE IT RESOLVED by the School Board of the School District of Denmark, Brown, Manitowoc and Kewaunee Counties, Wisconsin that the revenues included in the School District budget be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$925,000 per year beginning with the 2026-2027 school year and ending with the 2028-2029 school year, for non-recurring purposes consisting of operating expenses, including ongoing educational programming and maintenance, transportation and technology.

Ballot Text

The question will appear on the ballot as follows:

"Shall the School District of Denmark, Brown, Manitowoc and Kewaunee Counties, Wisconsin be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$925,000 per year beginning with the 2026-2027 school year and ending with the 2028-2029 school year, for non-recurring purposes consisting of operating expenses, including ongoing educational programming and maintenance, transportation and technology?"

Explanation

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is a vote to authorize the School District of Denmark budget to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$925,000 per year beginning with the 2026-2027 school year and ending with the 2028-2029 school year, for non-recurring purposes consisting of operating expenses, including ongoing educational programming and maintenance, transportation and technology.

A "no" vote on the question is a vote to deny the School District of Denmark the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$925,000 per year beginning with the 2026-2027 school year and ending with the 2028-2029 school year, for non-recurring purposes consisting of operating expenses, including ongoing educational programming and maintenance, transportation and technology.

In the event a majority of the electors voting on the question vote "yes", the District will be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$925,000 per year beginning with the 2026-2027 school year and ending with the 2028-2029 school year, for non-recurring purposes consisting of operating expenses, including ongoing educational programming and maintenance, transportation and technology; if a majority vote "no" on the question set forth above, the District will not be so authorized.
