

NOTICE

Curbside Garbage Collection Change

The Town of Maine is changing its curbside garbage collection provider and has contracted with Harter's Fox Valley Disposal for garbage collection services beginning January 2, 2024. Weekly collection will continue to be on Mondays. Your new garbage can from Harter's will be delivered between December 8th and December 12th. Please continue to use your GFL cart through the month of December with GFL's last garbage collection on December 26th. Keep your GFL cart curbside after 12/26/23 collection until GFL physically removes the cart. Cart removals could take a few days depending on the weather. Carts that have contents inside of the cart will not be collected. GFL will go down each road one time to remove carts.
