#### **Understanding of conditions:**

1. Explanation of a Certified Survey was completed to fully understand said property lines of the homeowner who is constructing the fence.
2. If future surveys prove that said fence is located on an adjacent property the fence will be relocated promptly to our property at our expense.
3. The homeowner will have no intention of filing an adverse possession claim(s) now or in the future related to the area enclosed by the subject fence.
4. The homeowner will not relinquish any rights or possession of land not enclosed within the fence lines and will advise those who are responsible for this property in the future.
5. The City of Peshtigo is indemnified from any claims arising from this matter, specifically with regard to claims arising from disputes over property lines.
