

The Town of Eagle Board of Supervisors is considering establishing a Town of Eagle Advisory Membership (TEAM) Committee composed of high school aged Town of Eagle residents. TEAM would receive guidance from and report directly to the Town Board. Prior experience is not required.

The primary objective of TEAM is to solicit input from younger members of our community regarding Town activities and their vision for the future of the Town. TEAM aims to develop a new generation of community leaders of the Town of Eagle by providing a platform for youth to advise on issues that are relevant to them and a path for them to contribute positively to their community. TEAM will offer perspective on matters related to the Town, the library, the recreation department, planning and zoning, the fire district, and the Town park. The initiative seeks to empower young residents through active engagement with the Town of Eagle Board. Furthermore, it will serve as an introduction to local government operations, assist in addressing community challenges identified by youth, offer counsel to ensure their interests are integrated into decision-making, and encourage participation by providing insights and recommendations on policies and programs. Members will also gain practical experience with parliamentary procedures, Robert's Rules of Order, and open meeting laws.

The goals of participating in TEAM include:

- Empowering young residents
- Building leadership skills
- Providing the opportunity for active involvement in local government
- Promoting civic engagement
- Fostering collaboration
- Gathering young residents' issues, perspectives, and visions
- Improving communication, public speaking and negotiation skills
- Possibly earning community service hours
- Strengthening college applications

It is proposed that the committee meet one evening per month. The specific start date, day, time, and location of meetings will be determined following assessment of interest and review of applications.

Please submit the completed form to Supervisor Knauer via e-mail at [dknauer@townofeaglewi.gov](mailto:dknauer@townofeaglewi.gov) on or before January 9, 2026 for review at the January 21, 2026 Town Board Meeting.

## Town of Eagle Advisory Membership (TEAM) Committee Application

Name: \_\_\_\_\_

Address: \_\_\_\_\_

☐ Check if you are a Town of Eagle Resident (required)

Age: (Optional) \_\_\_\_\_
