

### **ABOUT**

The Town and Village of Eagle Recreation Department is committed to meeting the current and future community needs by offering quality, safe, and affordable programs to all Town and Village of Eagle residents.

The Eagle Recreation Department was formed in 2002. It is funded by the Town and Village of Eagle. Since 2002, soccer and baseball have been enjoyed by more than 200 children per season. We have added yoga, craft classes, senior events, pickleball, basketball, family events, and much more! We are continually looking for ways to generate income to subsidize costs. We greatly appreciate donations to our programs from residents and businesses. Anyone interested in making a donation can contact our office at 262-949-4232.

The Town and Village of Eagle Boards govern the Recreation Department Committee. The Committee is comprised of one member from the Village Board, one member from the Town Board, one village resident, one town resident, and the Director of the Eagle Recreation Department. Their respective Boards appoint members. The Recreation Committee will be directly responsible for all Eagle Recreation decisions involving budget, expenditures of funds, policies, and programs offered by the Eagle Recreation Department. The Eagle Recreation Department Committee is also responsible for the direct supervision of the Recreation Director.

### AMERICANS WITH DISABILITY ACT

The Town and Village of Eagle Recreation Department actively seeks and supports participation by persons with disabilities in our recreational programs and services. It is the policy of the Town and Village of Eagle Recreation Department that no person will be excluded from participation, denied any benefit, or subject to discrimination on the basis of race, color, national origin, age, sex, religion, handicap, and/or disability.

### **INCLEMENT WEATHER POLICY**

As we wrap up another great year, we want to take a moment to thank each and every one of you for being part of our Recreation Department's journey in 2025. Your enthusiasm, support, and participation are truly what make our programs special and help us build a strong, connected community.

Whether you joined us for youth sports, fitness classes or seasonal programs, we're grateful you chose to spend time with us. It's always a joy to see neighbors coming together, kids learning new skills, and traditions continuing to thrive.

A very special thank you goes out to all the parents and guardians who generously gave their time to coach and support our youth teams. Your commitment, energy, and encouragement make a lasting impact—not just on the players, but on our entire community. We couldn't do it without you.

We would also like to extend a heartfelt thank you to all of the local businesses and organizations who sponsored our programs this year. Your generosity helps us offer a wide variety of quality activities and events, and we deeply appreciate your continued partnership. We encourage you to show your thanks by supporting these local businesses whenever you can.

Looking ahead, we're excited about the new opportunities we'll be bringing in 2026. We are already working hard to introduce fresh offerings while keeping the old favorites that so many of you enjoy year after year.

On behalf of the Recreation Department, thank you for making 2025 memorable. We wish you and your families a joyful, healthy, and active New Year!

All the best, Reebee Ratkowski, Eagle Recreation Director
