DOG LICENSE APPLICATION

Municipal Dog Licenses are required in the Village of Genoa City. **Dog licenses expire on December 31st of each year.** A dog license is necessary for the keeping of any dog over 5 months of age. State Law requires that all dogs be vaccinated against rabies within 30 days of reaching 4 months of age, and future protection be kept current. Your license tag also helps locate the owner if a lost animal is recovered.

Please provide a copy of current certificate of vaccination if we do not have a current on file.
