NOTES:

⁽¹⁾ Based on AWWA Standards

⁽²⁾ All existing residential households with 1 inch diameter or smaller water meters, when converting from a private sewer or disposal system to the municipal sanitary sewer service system, shall only be charged for the fix portion of the connection fee. If the fixed portion of the connection fee is paid and the municipal sewer service is connected within six months of notice to connect the fee will be reduced by 50%. The variable portion of the connection fee shall be waived.
