INITIAL HERE _____ It is agreed that upon default of an installment, the entire balance will become due, and service may be disconnected upon ten (10) days written notice. Upon default, nothing herein shall constitute a waiver of the rights on the part of the Utility to collect the unpaid balance or to prevent it from exercising its right to disconnect service because of such delinquency. In the event service is disconnected, the utility may require a deposit under PSC 185.36 to ensure payment of future bills. If customer has not fulfilled terms of a deferred payment agreement and there has not been significant change in the customer's ability to pay since the agreement was negotiated, the utility shall have the right to disconnect pursuant to (SPSC 185.37) and under such circumstances, it shall not be required to offer subsequent negotiation of a deferred payment agreement prior to disconnection.

INITIAL HERE _____ You have the right to suggest a different payment agreement; if you believe the terms of this agreement are unreasonable, **DO NOT SIGN IT**. If you sign this agreement, you agree that you owe the amount due under the agreement. If you and the utility cannot agree on terms, you may ask the Public Service Commission, 1-800-225-7729, to review the disputed issues. Signing this agreement does not affect your responsibility to pay for your current service. Allowing any bill for current service to become delinquent places you in default of this agreement.
