Hauling Fee Policy

1. A property-owner of the Town may purchase and have delivered road materials through the Town Patrolman, for use on his/her property in the Town.
2. The Town Clerk will bill the property-owner for the actual cost of the materials, a hauling fee, and sales tax.
3. The following persons are exempt from the hauling fee:
 - Town Board members
 - Other elected Town officials
 - Town employees
 - Spouses of the above
4. The Town Board will annually review the amount of the hauling fee, to determine whether providing the material to listed persons incurs substantial additional costs to the Town.
5. If substantial additional costs are incurred by the Town, the Town Clerk will add the value of the waived hauling fee, as a fringe benefit, to the taxable income of the listed persons.
