## REQUIREMENT CHECKLIST:

*All permit applications must be fully completed and include the following at the time of submission per City Code § 8-1-3.*

Permit Affidavit: A signed and notarized Permit Affidavit from the property owner of record must accompany the Mechanical Permit Application. (Attached to this application.)

Associated Mechanical Plans: As required by city.

Total Project Valuation: includes materials, equipment, and any supporting documents requested.

Fees: All fees to review plans and calculate permit costs are determined by the mechanical permit fee calculator and required at the time of the submission.

Per City of Hayden Lake Inspector, all required elements are to be completed **before** processing or issuance of any permits are considered.

***Note: Some applications may require Grading/Site Disturbance and/or Erosion Stormwater Control permits. See specific applications for fees and requirement details.***

*Issued permits are valid for 365 days from the date of issuance.*

*Permit extensions must be requested prior to expiration to avoid resubmittal and associated fees. (Extensions are valid for 180 days if approved)*

***Failure to obtain a permit, perform work prior to permit issuance, or continue work after expiration, will result in fines and constitute city and state code violations.***

DISCLOSURE: Applications may be subject to costs for all services provided by the City Engineer, City Attorney and other City Officials as well as other direct costs associated with processing the application including the costs of mailing and publishing notices.
