

May 5, 2009 **Resolution 2009-262 DNR/DOT Offices**

RESOLUTION 2009-262

DNR/DOT Offices

WHEREAS, the Town of Dodgeville Board feels outdoor recreation is a large part of our economic development in Iowa County and in Southwestern Wisconsin, and

WHEREAS, the Town Board feels that many Department of Transportation offices are needed in numerous locations to serve the general public, and

WHEREAS, the Town Board feels many people rely on the Dodgeville offices to provide accurate information related to their specific activity, and

WHEREAS, the Town Board feels it would be an inconvenience at best and a future loss of business in our community and a greater demand on energy if people have to drive 40 miles to the Madison area, and

WHEREAS, the Town Board feels most of the general public in the Dodgeville rural area doesn't have high speed internet.

THEREFORE BE IT RESOLVED that the Town of Dodgeville Board asks you to please reconsider this budget proposal and keep the Dodgeville Department of Natural Resources Office a 'full-service center' and the Department of Transportation office opened.

Adopted May 5, 2009:

APPROVED:

CURTIS PETERSON, Chairman
CHARLES PRICE, Supervisor
DAVID THOMAS, Supervisor
THOMAS MUELLER, Supervisor

This is to certify that the foregoing resolution was adopted May 5th, 2009.

SARA J. OLSON, Clerk-Treasurer
