

Meet the Candidate

Name: Christopher Regenauer

Position: Town Constable

Bio: My wife and I moved to the Town of Avon after purchasing our dream property in 2019. We spend a majority of our time caring for and making improvements to our land. I am an avid outdoorsman and love to hunt and fish. If it's above -20 degrees, there's a good chance you will find us outside! I graduated from the police academy in 2003 and have almost twenty years of combined experience working in law enforcement. I hold a valid certification as a law enforcement officer through the department of justice and have served the past ten years with the Town of Beloit Police Department. I believe that I can be a great resource to the Town through my knowledge and experience as a career law enforcement officer.
