

Meet the Candidate

Name: Gregg Wartgow

Position running for: Town Chair, also on ballot unopposed for Supervisor 1 which will be vacated if I am elected Chair

Bio (personal/professional):

I've been a business writer for 25 years, helping people learn about management strategies and industry trends so they can operate more successful businesses. I've written for Asphalt Contractor, Landscape Management, Snow Pro, Farm Equipment, Fleet Owner and Rural Lifestyle Dealer. I don't pretend to be an expert in anything, but I don't need to be. What I need to do is immerse myself in a subject, talk to experts, listen, learn and understand. When you think about it, that is precisely what a good town chair should be doing every day.

Why do you want to be on the Town Board? (100 words or less)

I joined the board in January 2020, taking over for my father-in-law, Duane Niedermeier, who retired after 40+ years. What I have witnessed as a board member concerns me as a taxpayer. Many others share my concerns, which is why I received such overwhelming support to run for chair, largely from folks who've lived here for 30, 40 or 50 years. As a supervisor, I have worked hard to ensure that your tax dollars are spent wisely, and that all citizens are treated respectfully within the confines of the law. I will continue to do the same as town chair.
