Pursuant to Wisconsin Statute 114.135 and Administrative Code Trans. 56, an application for the erection of a high structure has been received by the Wisconsin Department of Transportation Bureau of Aeronautics.

Description: This application is for permitting of a permanent 175' tall building

The public is invited to comment on this proposal by submitting a clear and concise report of the potential effects the proposed structure would have on the safe operation of aircraft.

The location of the structure can be found by entering the latitude and longitude listed above into any internet search engine or as shown (red dot) on the reference map included below.

Comments should be submitted to highstructures@dot.wi.gov or via mail to: WisDOT Bureau of Aeronautics, Attn: Airspace Safety Program, 4822 Madison Yards Way, 5th Floor South, Madison, WI 53705.

For proper inclusion in the study, comments must reference the structure number above and include the name, address, email and telephone number of the person or entity submitting the comment. All comments submitted to our office must be received by the comment deadline above. Any comments received after this date may not be considered.
